

TEMPUS WEALTH

your advice for life

Welcome to our new look Tempus Wealth Newsletter which also coincides with the launch of our new look website – www.tempuswealth.com.au, we'd love you to check out! We are excited to have this project complete - our intention is for both to be simple and informative with the website having many new links and resources for you to browse and keep up to date with financial news.

From all of us at Tempus Wealth, we genuinely hope that you are all coping with the Covid-19 situation and that your extended families and friends are too. Stay safe, stay well and continue to communicate with your people which seems to be one of the key messages at the moment. For us in our Kirrawee office, we continue with our team spending 3 days in the office and 2 working from home which appears is working well.

In this issue we provide you with a summary of the Government's Jobkeeper changes. This is ever evolving and we are pleased to keep you up to date with the changes. We also cover the "value of advice" showing the benefits of having a financial planner vs going it alone and how we can assist you in achieving your financial goals.

As a reminder, part of our range of services includes Mortgage Broking! There has never been a better time to check your current rates and/or look to refinance with some lenders offering refinance rebates up to \$4,000 to assist with the cost of refinancing – we are happy to assist at no fee to you. Click [here](#) to be contacted by one of our brokers.

Jobkeeper

Treasurer Josh Frydenberg has announced that eligibility for JobKeeper 2.0 will now be based on single quarters, in light of the stage 4 restrictions facing Melbourne.

The value of Advice

The Research Team provides a performance summary and commentary on each of the five main asset classes.
