

We hope that this Christmas cheer finds you well and excited for the end of 2021 and to celebrate being able to be together with family and friends.

Our team have also all worked really hard this year and are looking forward to a well deserved break. Our offices will be closed from Thursday, 23 December through Monday, 10 January 2022. Our advice@tempuswealth.com.au email and phone messages will be checked intermittently and responded to on an as needed basis.

Merry Christmas and a Happy New Year!

Rising life expectancies and retirement

Average life expectancies in Australia are now at a record high, and while that's a positive, longevity can also come with potential financial risks such as outliving your retirement savings. So what can you do to ensure you have the best chance of experiencing a financially secure retirement?

A savings strategy for children's education

Having a strategy in place to pay for your children's school education is essential. Here are a few ways you can approach paying for tuition that will help you stay ahead of the school fees curve.
