

After a great break over Christmas and New Year we are all back on deck and raring to go. As a team, we recently spent a day out of the office discussing our plans and goals for 2022 with some exciting things for our clients and team this year.

We are pleased to advise that we have just welcomed a new Client Service Manager, Tarje Whitford who replaced Rhys Ward. Rhys had worked with us for four years whilst completing his Degree and has decided to go and see the world for six months – half his luck! Tarje has taken over his role just 2 weeks ago and is a great member of our team and is looking forward to working with you in the future. [Tarje](#)

After a record year in 2021 in our **Tempus NRL Footy Tipping comp** with 64 tipsters and the winner taking home a cool \$930 we are looking to go bigger and better this year. The first game is Thursday 10 March, we'd love you to join – the more the merrier & bigger prize pool. To join click here [Tempus Wealth Tipping](#) (password is **mytippingkey**).

Thank you to those who selected their preferred gifts over Christmas, as a result we were able to donate \$500 to each of our chosen charities being The Salvation Army, Doctors without Borders and WIRES.

Last but not least, planning retirement – some of these tips may come in handy!
