

TEMPUS WEALTH

your advice for life

A very warm welcome to Spring!!! Here's to longer, warmer days ahead.

We hope you liked our new look Newsletter and had the chance to check out our new website – www.tempuswealth.com.au

To our Victorian clients and friends, we hope you are safe and well and managing through the restrictions. At the time of writing, there's been a positive change in the number of cases and the restrictions which will hopefully continue and is great to see.

2020 has certainly managed to throw everybody into a spin and it can be difficult to stay on top of your game! For those that need to take a minute and breath, we thought you may like to browse this link for some meditation techniques, take a minute to check them out – you never know if you don't try! In this issue we cover two key areas in Superannuation and the recent changes as well as an update on the latest COVID-19 initiatives. We aim to keep you informed and are happy to discuss your personal situation at any time. Click [here](#) for your adviser to touch base if you have any concerns.

Lastly, please take the time to [contact us](#) to review your current home loan. Some banks are offering pretty amazing deals in terms of interest rates and cashback on successful applications. As a guideline, if you are paying more than 2.9% in interest, we have the opportunity to help you save (standard P&I home loan)!!

Stay safe and enjoy the rest of the week!

Superannuation Updates

The rules around Superannuation contribution change almost every year, so it is important that taxpayers know what these changes mean to them.

Latest COVID-19 Initiatives

With the ending of a number of the original COVID-19 relief and stimulus initiatives, August and the beginning of September has seen the release of new plans to move into the post-September period. Links to these updates are listed in this article.
