

Welcome to Autumn, Easter and School Holidays!

We are excited to announce our 2021 Charity event - we will be hosting a day to support **The Melanoma Institute (MIA)** to complete the **Royal National Park Coastal Walk** on Friday, 28 May 2021.

The aim of our day is to not only support MIA but to encourage our team, clients, friends and family to get moving and put those Fitbits and Apple Watches to work! There are no registration fees, all we ask is that you raise a minimum of \$50 that goes directly to the MIA and in return, you get a little fitter and to see some spectacular coastline that is breathtaking. Our site is specific to fundraising for this event, [The TempusCoastalTrek](#)

Don't fret, we have several different options to suit all fitness levels (26km / 17km / 10km / 7km) – all finishing at Bundeena RSL Club for a few post walk refreshments.

Register your interest with us here and we'll send you all the detail [Register Now](#). The more the merrier – tell your friends & family!

How much investment risk are you willing to take?

If you've ever used a financial adviser, it's one of the first questions you'll be asked when establishing your overall investment strategy.
