

# TEMPUS WEALTH

*your advice for life*

The months keep flying by, welcome to our October update.

First up, we would like to introduce our new team members, Steve Giles and Kathy Van De Straat whom we welcomed this month. Steve has joined our team in the capacity of Compliance Audit Team Manager and Kathy as Client Service Manager to assist Karine Mathews and Murray Bennett. Both Steve and Kathy live locally and are enjoying the benefits of working close to home.

We have two great articles for you this month, some great tips on teaching your children healthy money and saving habits and the other providing some great points on key things to consider financially when in your 40's! We hope you enjoy and share!

As always, don't forget that we have Tempus Finance, our Mortgage Broking team ready to review your current loans or to assist in new purchases. Let us do the work for you - Click [here](#) to be contacted by one of our brokers.

If there is anything we can do to assist at any time, please click [here](#), we are happy to assist.

## [Four ways to teach children healthy money habits](#)

Set a good example for your children with just a few simple changes.

## [Five financial moves to Make in your 40s](#)

In your 40s here's what you need to consider to financially get ahead.
